

Countdown to Christmas

Each day of December, cut out one the piece of this picture and glue it to the corresponding piece in the key (see next page). Start with the piece that has a "1" on it on December first, and so on until you get to the 24th day of December. Your picture will be complete, and the next day will be Christmas! Have fun watching the picture unfold throughout the month!

Countdown to Christmas

15	21	9	18	1	12
	10		17	20	
16		6			3
				11	22
2	19	5	24		
	7				
8		23	14	4	13
