

We are out to haunt
the neighborhood!

Let's try to get the Halloween "SPIRIT"
into every house in the neighborhood
by Halloween Night!

First, display your "We've Been Boomed" ghost
in your window or on your door, so everyone will
know you've already been haunted.

Then, make copies of this instruction sheet and the ghost.

(You can find them at www.Reading-with-Kids.com/halloween)

Take them, along with some Halloween goodies,
to two neighbors who have not been haunted.

Leave them on the doorstep, ring the bell, and **RUN!**

(Try not to get caught!)

Last, watch the Halloween spirit spread
through the neighborhood!

On Halloween Night, see how many
houses we haunted this year!
